

AGRICULTURAL TRANSITION - into a viable food future

الانتقال الزراعي - نحو مستقبل مستدام

LA TRANSITION AGRICOLE
- vers un avenir viable

AGRICULTURAL TRANSITION
- into a viable future

TRANSICIÓN AGROCULTURAL
- hacia un futuro viable

Thursday March 28

16.00-18.30 (4- 6.30 pm)

Salle: P19

Input from
leaders of farmers' and fisherfolks' organizations,
NGO's, scientists and activists

How can unsustainable agriculture be transformed into agroecological and other forms of sustainable agriculture?

How can small scale food production and peasants movements be supported and strengthened?

What policies, actions and steps are needed for a transition into a viable food future?

How to strengthen the movements and alliances for transition?

MORE and BETTER

An international network for support of food, agriculture and rural development to eradicate hunger and poverty
