#### **WSF2015: Change the system, not the climate!**

*By Aksel Naerstad, co-coordinator of the More and Better Network, from Tunis.*

Climate change is one of the focus of many of the thousands different meetings held at the WSF. The message that comes up is clear: the political and economic system needs to be changed, not the climate!

#### **Agroecology reclaims territories for local peoples and food sovereignty**

*By Adam Rankin, Fundaexpresión (Colombia), member of the More and Better Network.*

How Agroecology has become a banner of our joint struggle and a vibrant movement to reclaim territories for local peoples and food sovereignty, through the development of common strategies that put sustainable small-scale food producers at the centre stage.

#### **The International Forum for Agroecology**

*By Jacques Yves Atangana, More and Better Africa.*

The International Forum for Agroecology was held in Nyéléni from 23 to 27 February 2015. Nearly 300 delegates from around the world representing different organizations and international movements of small producers (farmers, breeders, fishermen) and NGOs in support of sustainable development, came together to promote agroecology and its values.
