Invitation to the General Meeting of the More and Better Network October 16th, Rome, Italy

Dear More and Better members and friends,

We have the pleasure to invite you to the **General Meeting of the More and Better Network on Sunday, October 16th, from 17:00 PM to 21:00PM in Rome***, to be held in connection with the **Annual Forum of the Civil Society Mechanism (CSM) for the relations with the UN Committee on World Food Security (15-16 October)**.

All the member organisations of the More and Better Network (MaB) are welcome to appoint one delegate to the General Meeting and possibly support his/her participation costs with their own resources. South-based organizations can apply for financial support, taking into account that, due to the limitation of financial resources, we can only support part of the costs for the participation of a restricted number of representatives. We will cooperate with the CSM secretariat for the funding of participants for the meeting of MaB and the CSM-meeting to be able to get as many organizations as possible to attend the two meetings.

Agenda of the meeting, proposal

1. Constitution of the meeting
2. Report of the activities since the previous General meeting
3. Accounts from the previous two years.
4. Plans and budget for the coming two years
5. Election of international coordinator(s) and other members of the international coordination
6. Other issues

Proposals for issues to be on the agenda for the meeting must be sent to the International coordination committee not later than September 5th.
